1 of less than 10 customer GT1 race cars in existence today.

The Triple Canadian GT Championship winning car and the only chassis to have left the factory in 'EVO' spec from new, all the other examples were upgraded in period.

Retained by the original owner until 2013 and only 2 owners since.

Restored to perfection and road converted by Lanzante. It's also one of only two examples converted to road spec and road registered.

Complete with a detailed chassis history report by noted Porsche historian and author John Starkey plus all items to return it to full track spec.
