Rosso Corsa with Nero Leather

£SOLD

Mileage	1,464 miles	Engine Capacity	6496cc
Body Style	SUV	Fuel	Petrol
Transmission	Semi-automatic	Chassis No.	305479

Marking a bold step into a new segment, Ferrariâ€™s all-new Purosangue combines the Italian marqueâ€™s legendary performance and emotion with the practicality of four seats and increased ride-height. Perhaps most closely linked to the Ferrari identity are its fabled V12 engines, which were responsible for much of Maranelloâ€™s early racing successes. The Purosangue shares in this rich heritage of Ferrari evolution, with its V12 providing a completely unique performance and character profile amongst its peers. Having arrived to much anticipation, its sleek and aerodynamic design maintains Ferrari's unmistakable aesthetic, and positions the Purosangue both as a marvel of engineering and as a statement of style and exclusivity.

The car we present here is a stunning, UK supplied example that has covered a mere 1,417 miles from new. It benefits from a desirable list of factory optional extras and features that include: Panoramic roof, all electric seats, special leather interior finish, special leather finish to upper steering wheel handgrips, Dreamline on F1 paddles, special interior stitching, Cavallino

stitching to head rests, coloured steering wheel, glossy carbon fibre steering wheel with LEDs, glossy carbon fibre upper tunnel trim, high-end audio system, smartphone wireless charger, smartphone interface, passenger display, surround view, adaptive front lighting system with full matrix and LED, air quality sensor, privacy laminated glass, coloured mats with embroidered logo, soft close doors, rear parking cameras, adaptive cruise control with blind spot detection, passenger aluminium footrests, suspension lift, front and rear parking sensors, rear parking camera, Scuderia shields to front wings, 22″ front and 23″ rear forged alloy wheels finished in Orbit grey, run flat tyres, carbon ceramic brakes, Giallo Modena brake callipers, Titanium wheel bolts, Topaz PPF and anti-theft system.

Offered with the remainder of its 4-year manufacturer's warranty and 7-year service plan and complete with its original books including the service/warranty supplement, spare key that's within in a carbon fibre presentation box, Ferrari battery charger, Ferrari car cover, security fobs and a dedicated history file.
