£SOLD

Mileage	72 miles	Engine Capacity	6496cc
Body Style	Convertible	Fuel	Petrol
Transmission	Semi-automatic	Chassis No.	323071

Ferrariâ€™s legendary front-engined V12 tradition continues with the all-new 12Cilindri Spider, also known as the Dodici Cilindri (Italian for “twelve cylinders”). Inspired by the legendary Grand Tourers of the 1950s and ’60s. It features a modern design with subtle nods to the Daytona and other classic Ferraris. The Spider variant comes with a retractable folding hardtop roof that opens or closes in just 14 seconds, even at speeds of up to 28 mph.

Inside, the cabin showcases a symmetrical layout with two distinct modules for the driver and passenger, offering both comfort and a heightened sense of driving involvement.

The 12Cilindri Spider is powered by Maranello’s iconic naturally aspirated 6.5-litre V12 engine. This version delivers 830 hp, reaches a top speed of 211 mph, and accelerates from 0 to 62 mph in a staggering 2.9 seconds. With the roof down, you’re not just drivingâ€”you’re conducting an orchestra of combustion and precision. Every acceleration, every downshift, every

curve becomes an immersive performance.

This delivery mileage UK supplied example was commissioned with a huge specification that includes a host of optional extras that include: Extracampionario classic colour, carbon fibre racing seats, carbon fibre upper tunnel, carbon fibre instrument cluster, carbon fibre steering wheel with LED lights, carbon fibre door panels, High-end audio system, coloured steering wheel, passenger display, embroidered prancing horse on headrests in Nero, extra range full Alcantara interior, coloured inner details in Alcantara, Matte inner carbon fibre, steering wheel full handgrips in Alcantara, front suspension lift, surround view, active matrix LED headlights, front radar with adaptive cruise control, wireless smartphone charger, front area fixed carpets in black, carbon fibre front spoiler, rear diffuser in carbon fibre, front air intakes in carbon fibre, exterior sill kicks in carbon fibre, glossy carbon fibre under door cover, glossy Orbit rims in nero, nero brake callipers, black ceramic tailpipes, titanium wheel bolts, nero wheel cups, Â Airbrushed Scuderia shields, Italian flag motif, complete badges Matte nero and tracker security system.

Registered on the 02/08/2025, the car benefits from the remainder of the 4 year warranty until August 2029, along with the 7 year service plan until 2032.

Presented in totally â€˜as newâ€™ condition throughout and offered complete with its original books including the service/warranty supplement, spare keys, car cover, battery conditioner, tracker fobs and a dedicated history file.
