TOM HARTLEY JNR

1937 AUTO-UNION C-Type V16
£SOLD

Mileage	N/A miles	Engine Capacity	6006cc
Body Style	Formula-1 Car	Fuel	Petrol
Transmission	Manual	Chassis No.	15

Included in the sale of the Ecclestone Grand Prix Collection.

The chassis was purchased by Bernie Ecclestone and later built up by acknowledged experts Crosthwaite & Gardiner as confirmed by Audi Tradition.

One of very few examples in existence and the sister car to those owned and displayed by Audi Tradition themselves.

The Auto Union was known as one of the Silver Arrows in period and with its 16-cylinder 6-litre engine, it would go on to set benchmarks that took decades to surpass.
