£SOLD

Mileage	29,735 miles	Engine Capacity	2418cc
Body Style	Targa	Fuel	Petrol
Transmission	Manual	Chassis No.	04402

A North America spec example that benefits from only 3 owners and 29,735 miles from new and finished in its original and very desirable colour combination of Marrone Metallizzato over beige leather.

Factory fitted options include metallic paint, leather interior, electric windows and air conditioning.

Very original throughout having never been subjected to a complete restoration but upon our purchase in 2020, the car was entrusted to marque experts Autofficina Bonini for a complete mechanical rebuild.

The car today is the finest performing Dino we have ever handled but retains the charm of its originality, which not many examples can still boast.
