This example has been a U.S. car from new and is still titled and residing in thatÂ country. It is finished in special-order Obsidian Black Metallic, with Havana seats, door cards, carpet and headlining, andÂ an Anthracite dash. From new, this Veyron has had only two owners, both being very well respected names within the collector car community. It has a fully detailed service history, with servicesÂ by Bugatti-authorised dealers in 2009, 2010, 2012, 2014 and 2015, and new tyres were fitted in 2012. The car benefits from an extended manufacturer's warranty until 30th October 2016 and comes complete with its original handbooks, service book, spare key, speed key, PDA, battery conditioner and car cover. This example is one of the very best available anywhere and representsÂ a good investment opportunity.
