GT Silver Metallic with Natural Dark Grey Leather

£SOLD

Mileage	8,303 miles	Engine Capacity	5733cc
Body Style	Targa	Fuel	Petrol
Transmission	Manual	Chassis No.	000143

The Carrera GT was Porsche's first mid-engine supercar and boasts a Formula 1 derived four-cam V10 engine.

Car number 493 of only 1,270 examples ever produced and only 49 of those being UK supplied examples, such as this particular car. It was specified new in the highly desirable colour combination of GT Silver Metallic over a Natural Dark Grey leather interior.

It benefits from just four owners from new, including 12 years in single ownership with its second custodian and all services from new have been carried out by Porsche Central Operations, including its last service which took place in March 2025 when all factory recalls were carried out and new tyres also fitted.

The car is offered complete with its original handbooks including the ever-important service/warranty supplement, leather pouch, spare key, new/unused fitted leather luggage set, plaid additional seat inserts, roof straps, tool kit, towing eye, tyre

inflator kit, warning triangle, security tracker and full Paint Protection Film.

Presented exceptionally well throughout and offers a fantastic opportunity to purchase one of the greatest analogue supercars of all-time.
