Boasts just 10,427 miles and 3 owners from new.

Single ownership for 27 years.

Delivered new to Germany before being imported into the UK in 1997, where it has remained ever since.

Fresh from a major service including new fuel cells and hoses at model experts Autofficina Bonini Carlo S.r.l.

A total matching number car that still retains all of its original body panels, engine, gearbox and has recently been submitted for Ferrari â€˜Red Bookâ€™ Classiche certification which we anticipate will be awarded in the coming months.

A truly spectacular example that boasts an incredible amount of originality including but not limited to the Kevlar weave being

very prominent throughout.
