

**1955 MERCEDES-BENZ 300 SL Gullwing**  
**Black with Cream Leather**  
**£SOLD**

|              |           |                 |        |
|--------------|-----------|-----------------|--------|
| Mileage      | N/A miles | Engine Capacity | 2996cc |
| Body Style   | Coupe     | Fuel            | Petrol |
| Transmission | Manual    | Chassis No.     | 500288 |

One of only 108 Gullwings delivered new in Black and a full matching number example.

The car has had very little use since a no expense spared restoration carried out by UK marque specialists and it is fresh from a full mechanical rebuild by model experts HK Engineering in Germany and presents exceptionally well throughout.

The car comes complete with fitted luggage, additional leather seat cushions, a dedicated history file which contains a copy of its factory data card, a 300 SL instruction manual and spare parts list.
