TOM HARTLEY JNR

1992 LANCIA Delta Integrale HF Evo I Martini 5

White With Martini Livery with Black Alcantara Recaro Seats

£195,000

Mileage	1,978 miles	Engine Capacity	1995cc
Body Style	5-Door Hatchback	Fuel	Petrol
Transmission	Manual	Chassis No.	568066

Car number 77 out of only 400 examples ever produced and benefits from just 3,183 km from new.

The â€˜Martini 5â€™ was launched to celebrate the fifth World Rally Championship title won by Lancia and is oneÂ of the most interesting versions of the Delta Integrale

This particular example spent 22 years in the showroom of the Lancia dealer in Nuovauto, Italy and has remained in private collections since and was last sold by ourselves in 2017.

Complete with its original manuals including its service/warranty supplement, pouch, Clarion radio, factory plastic protection covers on the doors and a dedicated history file.

A spectacular example, surely one of the very best in existence!
