Lark Livery with Road Trim

Mileage	N/A miles	Engine Capacity	5990cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	27R

Chassis 27R was the first McLaren F1 GTR â€˜Longtailâ€™ to have ever won a race â€“ a truly remarkable accomplishment. Its career didnâ€™t end here though, as it also competed in the 1997 24 Hours of Le Mans, the 1997 FIA GT Championship, and the 1999 British GT Championship. It is freshly restored, road converted by Lanzante, UK registered with all EU taxes paid, and is accompanied by an extensive history file, as well as a long list of spare parts. In addition, when you consider it is one of only 10 examples ever produced, that the other nine examples reside in highly respected and major collections, and the likelihood of these examples ever coming for sale is very slim, then 27R is truly an opportunity not to be missed!
