The AMG GT R Roadster is a limited production example of just 750 units worldwide produced at Affalterbach, the home of the sportscar brand for Mercedes-Benz.

This limited production Roadster boasts a huge amount of technology from there motorsport division combining a car with a vast amount of performance of some 585hp via its V8 biturbo engine with a 0-62mph in just 3.6 seconds right up to its top speed of 197 mph which is due to its active aerodynamics and its intelligent lightweight construction.

Its low-slung designed front nose section and the forward-inclined AMG-specific radiator grille creates a distinctive â€œshark noseâ€ which gives an impression to lower stance the road. At the same time, this shape lowers the vehicleâ€™s back-pressure point, enhancing the flow of cooling air and the carâ€™s aerodynamic performance.

Our UK supplied example was completed with the following factory options and features that include; AMG high performance

ceramic brakes, AMG Track Pace, AMG Matt Black carbon fibre carbon trim package, AMG Matt interior package, AMG performance seats, climatised front seats, electrically adjustable memory front seats, Â premium package, Burmester high-end surround sound, Apple CarPlay, digital radio, Mercedes ME connect service, driving assistance package, parking package, AIRSCARF, wind deflector, PPF and Vodafone anti-theft security tracker.

Presented in â€˜as new condition throughoutâ€™ and complete with its original book and spare key, tracker fobs and dedicated history file. This car also benefits from the remainder of its Mercedes-Benz approved used car warranty until 30th August 2025 plus its distinctive 'GTR' registration number.
