TOM HARTLEY JNR

1955 MERCEDES-BENZ 300 SL Gullwing

Light Blue with Blue Plaid

SOLD

Mileage	N/A miles	Engine Capacity	2996cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	500580

An original Rudge wheel example finished in its original colour of light Blue (DB 334). The car has been the subject of a total body-off, nut-and-bolt restoration by world renowned specialists and comes complete with fitted luggage, handbooks, factory data card, workshop manual, restoration album and model literature. Examples as finely restored as this particular car are very hard to find, and the fact that it wears its super desirable original colour and is an original Rudge wheels car only makes it even more special!
