Included in the sale of the Ecclestone Grand Prix Collection.

The model which gave Alfa Romeo their first victories in Formula One since 1951 and their last to date.

The car in which John Watson drove to podium finishes at the British and Italian Grands Prix.

Used in practice by the then reigning Formula One World Champion Niki Lauda.

The BT46 finished third in the Formula One Constructors' Championship in 1978.

A complete car that is presented in running condition and never before been offered for sale.
