A very nice driving example that presents in superb order. Originally delivered in Sierra Blue and still retains its original engine. Our DB5 has also the added benefit of restoration works carried out by Bodylines in 1989. It comes complete with a well-documented history file, which includes numerous MOTs starting from 1990 and maintenance invoices from 1988. Fresh mechanical & service works recently completed in April 2019.

The car has participated in various AMOC concours events, notably its 1st place at Beaulieu 1996 and 2nd place Birtsmorton 1994. In January 1995 this DB5 was featured in the French magazine "Retro Viseurâ€.
