TOM HARTLEY JNR

1965 FERRARI 500 Superfast

Argento with Franzi Red Leather

£SOLD

Mileage	13,817 miles	Engine Capacity	4943cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	6659 SF

The Ferrari 500 Superfast was the last of the coachbuilt Ferrari coupÃ©s and was designed to satisfy their wealthiest and most discerning clientele. Only 36 examples were ever produced and of these a mere 8 were right-hand drive.

This is a total matching numbers example and is presented in its original colour combination, as confirmed by its Ferrari 'Red Book' Classiche certification. It was ordered new with a number of unique special features and is believed to have coveredÂ only 13,817 miles from new.

Complete with a very impressive history file which documents the cars life and includes a huge amount of period correspondence between Colonel Ronnie Hoare, Pininfarina and the first owner Sir Eric Miller.

A car that would enhance even the finest Ferrari collection!
