Marking a bold step into a new segment, Ferrariâ€™s all-new Purosangue combines the Italian marqueâ€™s legendary performance and emotion with the distinction of being the first four-door, four-seat car in the Prancing Horseâ€™s history. Closely tied to Ferrariâ€™s identity are its fabled V12 engines, responsible for much of Maranelloâ€™s early racing success. The Purosangue proudly shares this rich heritage, with its V12 delivering a truly unique performance and character profile among its peers. Anticipated for years, its sleek and aerodynamic design retains Ferrariâ€™s unmistakable silhouette, positioning the Purosangue as both a marvel of engineering and a statement of style and exclusivity.

This particular single owner example benefits from an extensive list of optional extras, including: Ferrari classic colour (Grigio Titanio metallic), front suspension lift, matte carbon fibre roof, Scuderia Ferrari shields, exterior special carbon fibre, matte carbon fibre front spoiler, matte carbon fibre rear diffuser, matte carbon fibre wheel arches, matte carbon fibre outer sill kick plates, matte carbon side skirts, matte carbon fibre outer door mirrors, black forged diamond-polished wheels, matte carbon
