A single owner, VAT-qualifying Vorsprung edition.

An exceptional example of the RS Vorsprung, specified to an outstanding level and finished in a striking non-standard paint colour. The interior showcases the RS styling package with red contrast stitching and Alcantara inserts, complemented by matte carbon twill inlays, black Dinamica headlining and the black appearance package plus for a purposeful look.

Comfort and convenience are equally impressive, with heated front and rear seats, ventilated and massaging front seats, a panoramic glass sunroof, head-up display, and the premium sound system. Further highlights include the city assist pack, tour and parking assist packages, power door close, sun blinds for rear and side windows, black seat belts edged in red, RS logo floor mats, and black roof rails.

Externally, the car sits beautifully on 23â€ 5-Y-spoke rotor design alloy wheels in anthracite finish, complemented by RS steel

brakes with red calipers and the RS Sport exhaust system for an unmistakable soundtrack.

Presented in excellent condition throughout, this example benefits from the balance of its manufacturerâ€™s warranty until April 2027 and is complete with its ownerâ€™s manual, spare key, battery conditioner and a dedicated history file.
