£219,500

Mileage	2,976 miles	Engine Capacity	3996cc
Body Style	Coupe	Fuel	Hybrid
Transmission	Semi-automatic	Chassis No.	027328

The Bentley Continental GT Speed represents a new era for the definitive British Grand Tourer, combining an entirely new design language with the most powerful powertrain ever fitted to a road-going Bentley at the time of its launch. Drawing inspiration from Bentleyâ€™s coachbuilt Bacalar and Batur models, the Continental GT Speed introduces a more muscular and purposeful appearance, while retaining the unmistakable proportions and handcrafted luxury that have defined the Continental GT for more than two decades.

Powered by Bentleyâ€™s Ultra Performance Hybrid powertrain, combining a 4.0-litre V8 with a 190 PS electric motor to produce a combined 782 PS (771 bhp) and 1,000 Nm of torque, the Continental GT Speed is capable of reaching 0â€"60 mph in just 3.1 seconds and onto a top speed of 208 mph. Power is delivered through an eight-speed dual-clutch transmission, while Bentley Dynamic Ride, all-wheel steering, an electronic limited-slip differential and torque vectoring provide an exceptional level of dynamic capability. Despite its formidable performance, the GT Speed remains every inch a Bentley

Grand Tourer, with a beautifully handcrafted four-seat interior combining the finest materials with contemporary technology and an exceptional level of refinement, creating a car capable of delivering breathtaking performance without compromising the luxury and long-distance capability for which the Continental GT has become renowned.

This UK-supplied 2026 model year example was commissioned with the following factory options and features, which include, but are not limited to: Touring Specification, Leather Specification, interior colour split in Linen and Beluga, Mood Lighting Specification, Front Seat Comfort Specification, 12-way electrically adjustable, heated and ventilated front seats, heated front centre armrest, front seat belts with hide-trimmed buckles, Front Wellness Specification, contrast stitching throughout, embroidered Bentley emblems with contrast stitching, precision 3D diamond quilting to door and rear inserts, Bentley Rotating Display, Dark Stained Burr Walnut over Grand Black, Dark Tint Engine-Turned Aluminium interior inserts, Diamond Knurling Specification, heated duo-tone steering wheel, sports pedals, contrast carpet binding, front deep-pile overmats, Naim for Bentley surround sound system, Head-Up Display, wireless phone charging, adaptive cruise control with lane departure warning, Traffic Jam Assist and Emergency Assist, traffic sign recognition, Intelligent Park Assist with remote operations, soft close doors, top-view camera, night vision, panoramic glass roof, 22″ ten swept-spoke wheels â€" grey painted and bright machined, precision dark-tint LED matrix headlights with high-beam assist, LED rear combination lamps â€" dark tint, Animated Welcome Lamps by Mulliner, heated windscreen, self-levelling wheel badges by Mulliner, brakes with black-painted callipers, sport exhaust system, first aid kit and front-end PPF cover.

Further complementing this example is a Bentley Warranty valid until December 2028.

Presented in â€˜as newâ€™ condition throughout and offered at a substantial saving of circa Â£83,000 against the current manufactures list price. Complete with its original handbook, spare key, car cover, battery conditioner, charger, tyre inflator kit and a dedicated history file.
