1989 ASTON MARTIN V8 Zagato Volante

Malvern Brown with Magnolia

SOLD

Mileage	3,680 miles	Engine Capacity	5340cc
Body Style	Convertible	Fuel	Petrol
Transmission	Automatic	Chassis No.	R30022

1 of only 37 Zagato Volantes ever produced and 1 of only 6 that left the factory in right-hand drive with automatic transmission. Ordered new by the famed 'Patrick Collection' and specified in the stunning Malvern Brown over Magnolia with a Brown mohair hood. One of the unique feature about this particular car is that it was ordered new with Recaro Ideal C Type seats rather than the standard Zagato style, which were particularly uncomfortable for Alexander Patrick who suffered with a bad back. Complete with its original build sheet, handbooks including the service supplement, Zagato pouch, original warranty certificate plus the old style UK V5 registration document. Upon inspection it's evident how well preserved the car has been since new and has recently had a major service plus new tyres fitted by marque specialists Nicholas Mee & Co. A highly desirable car and one with great future potential!
