Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	3053

A very special car, one on the first Maserati 300Ss built and one of only 11 â€˜short noseâ€™ examples. Delivered new to William â€˜Billâ€™ Spear through Briggs Swift Cunningham, podium finisher at the 1955 Sebring 12 Hours. Beautifully restored throughout by leading marque restoration specialists and still retains its original engine. Truly one of the very best examples in existence!
