A very special Testarossa, only 2 owners from new with the 2nd owner purchasing the car when only 6 months old. Cherished throughout its life which is evident when perusing its history file which contains 20 MOTs, expired tax discs, old style registration documents, the 2nd owners original purchase invoice from Ferrari main agent JCT600 along with it's original handbooks, service book and leather wallet. A truly outstanding example!
