An incredible 1 owner, ultra low mileage, UK supplied example with optional extras that include: two-tone interior trim leather and Alcantara, Recaro full electric seats, carbon fibre drivers zone, carbon fibre steering wheel and LED display, carbon fibre central tunnel, carbon fibre dashboard inserts, cruise control, iPod connection, Radio-satellite navigation system, bluetooth, front and rear parking sensors, front suspension lift system, advanced front lighting system, carbon fibre exterior sill kick plates, Scuderia Ferrari shields, 20" Diamond sport rims, tyre pressure and temperature monitoring system, anti-stone chipping protection film and Nav Trak.

Accompanying the car is a highly documented history file that includes: letter of confirmation of order from Luca di Montezemolo, four pre-order specification files, various original new order documentation from the supplying Ferrari dealership. Custom produced model of the car in celebration of build completion, model literature, Ferrari leather bound official welcome pack. Complete with its original books including the service/warranty supplement and spare key.

TOM HARTLEY JNR

The Ferrari has been serviced by its original supplying dealer, Graypaul Edinburgh. Although the cars extraordinary low mileage, services have been undertaken in 2014, 2015, 2016, 2017, 2018 and 2019. All printed service invoices are also supplied; the last service was completed some 40 miles ago.

A truly spectacular example presented in totally "as new" condition throughout.
