TOM HARTLEY JNR

1967 FERRARI 275 GTB/4

Nero with Dark Red Leather

£SOLD

Mileage	N/A miles	Engine Capacity	3286cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	10291

A truly spectacular example. One of only six 275 GTB/4s ever built in black and fresh from restoration.

Single ownership from 1976 until 2014 and then entrusted to arguably North America's leading marque experts for restoration. The cosmetic work was carried out by Brian Hoyt's Perfect Reflections and the mechanical rebuild work by Patrick Ottis.

The car also still boasts its full matching number status, including chassis, body, engine and gearbox.

Any GTB/4 presented in this condition would be very special but being an original 'factory black' example, of which there were only six, makes #10291 a very special opportunity indeed.
