The SF90 Stradale represents Ferrari's new series-production supercar, launched in celebration of Scuderia Ferrari 'SF' and '90' years of their foundation.

The car signifies everything that has been achieved by them to date in terms of performance and continues to reinforce the strong link between Ferrari's track and road cars. It represents the capturing of the most advanced technologies developed in Maranello, the SF90 is a perfect demonstration of Ferrari's knowledge and skills in the competition field and how they have transferred it to their production cars.

In terms of performance the car is breath-taking, it produces an incredible 986bhp using its 4 litre V8 twin turbo engine and 3 electric motors. It is the most powerful Ferrari road car to date with a 0 to 62mph in 2.5 seconds and a top speed of 211mph! The engineâ€™s power is supported via its 4-wheel drive, downforce at the front end generated by the cars Vortex

aerodynamic design and the rear wing design known as the â€˜shut-off Gurneyâ€™ (a patented active system located at the rear of the car which regulates the air flow over the upper body, reducing drag at high speeds with low lateral dynamics loads and increasing downforce in corners, under braking and during changes of direction).

This particular example has only covered 211 miles from new, it is a UK supplied example that was ordered with a host of factory and optional extras including; Assento Fiorano package (a package that deducts 40kg from the car's kerb weight achieved by replacing the exhaust system and suspension springs with a lighter Titanium material, the addition of carbon fibre that substitutes panels and parts of the underbody and an enlarged Carbon-fibre rear spoiler). Large Carbon fibre racing seats, Carbon fibre engine manifold, Carbon fibre front bumper inserts, Carbon fibre rear diffuser, Carbon fibre sill covers, Carbon fibre side air splitter, Carbon fibre drive driver zone + LEDS, Carbon fibre dashboard inserts, Carbon fibre dashboard insert stripes, Alcantara central seat inserts, Nero leather seat stripes, Grigio Scuro specialÂ stitching to dashboard and headrests, Grigio Scuro prancing horse embroidered onto headrests, racing seat lifter, carpets in Alcantara, Apple CarPlay, AFS front lighting system, front parking sensors, rear parking camera, Nero brake callipers, Scuderia shields to front wings, Nero Ceramic exhaust pipes and an anti-theft tracking system. In total, the cost new price was Â£476,307.00.

Presented in â€˜as newâ€™ condition throughout and offered complete with its original books including the service/warranty supplement, pouch, spare key, tracker fobs, Ferrari car cover, Ferrari tyre compressor, Ferrari charging lead and history file.
