1 of only 1,315 examples ever produced worldwide and 1 of only 42 delivered new to Belgium.

A late production example, benefitting from only 14,210km from new and the factory optional extra of adjustable suspension.

A very original car, with weave evident in the areas expected on this stage of the production run plus all matching body numbers and factory stampings still in place.

Under single ownership for the last 15 years, with the fuel tanks replaced in January 2022 at which time a major service was also carried out.

Offered complete with its original sales invoice, original books including the ever important service/warranty supplement, leather pouch, spare key, workshop manual, original F40 media press pack, an original F40 owners brochure, original exhaust,
