The 2023 Porsche 911 Carrera T represents a return to the pure, lightweight ethos that has long defined the very best driver-focused 911s. Based on the 992 generation, the Carrera T strips away unnecessary weight and layers in performance-led hardware, creating a car that sits perfectly between the standard Carrera and Porscheâ€™s GT models.

Power comes from a 3.0-litre twin-turbocharged flat-six producing 385 bhp, delivering strong, immediate performance and effortless flexibility across the rev range. Paired with Porscheâ€™s superb 7-speed manual transmission, the Carrera T accelerates from 0â€“60 mph in just 4.3 seconds and reaches a top speed of 182 mph, offering performance that feels engaging and rewarding without sacrificing everyday usability.

This UK supplied example was ordered with a host of factory options and features that include: Lightweight carbon roof, adaptive sport seats plus, including 18-way memory package, heated seats, front headrests with 911 embossed logo, rear

seats, heated multifunction GT sports steering wheel in race-tex, cruise control, sport chrono package incl. mode switch, Porsche Track Precision App & tyre temperature display, Porsche communication management (PCM), sound package plus with 8 loudspeakers, AppleCarPlayÂ®, DAB radio, rear-axle steering, LED matrix main headlamps inc. Porsche Dynamic light system (PDLS Plus), park assist including surround view entry & drive, preparation for Porsche dashcam, sport suspension - 10mm (PASM), lightweight and noise insulated glass including privacy glass, side window trims in high gloss black, electric folding exterior mirrors, door sill guards in brushed aluminium, exclusive design tail lights, 911 Carrera T decorative side logo, exclusive design fuel filler cap, preparation for roof transport system, 20-21′ Carrera S wheels painted in Agate grey, sports exhaust system tailpipes in black and Porsche vehicle tracking system plus (PVTS Plus).

Presented in excellent condition throughtout and offered complete with its original handbooks including the service/warranty supplement, spare keys, car cover, battery conditioner and dedicated history file.

The car also benefits from a Porsche extended warranty until 30/03/2027.
