Mileage	77 miles	Engine Capacity	2894cc
Body Style	SUV	Fuel	Petrol
Transmission	PDK	Chassis No.	B60322

The Porsche Macan GTS combines the everyday usability of a premium SUV with the unmistakable performance, character and driver engagement synonymous with the Porsche marque. Refined for 2025, the latest generation Macan GTS benefits from revised suspension tuning, sharper steering response and a more purposeful design, resulting in a driving experience that remains one of the most engaging in its class.

Powered by a twin-turbocharged V6 producing 440hp, the Macan GTS delivers effortless performance through Porscheâ€™s acclaimed PDK transmission and all-wheel-drive system, accelerating from 0â€“62mph in just 4.3 seconds and on to a top speed of 169mph. Revised suspension tuning, lowered ride height and Porsche Torque Vectoring Plus (PTV Plus) ensure exceptional composure and agility, whilst the distinctive GTS styling package, sports exhaust and Alcantara-trimmed interior create an experience that is both sporting and refined. Blending performance, luxury and everyday versatility in typical Porsche fashion, the Macan GTS remains the benchmark in the high performance SUV segment.
