£SOLD

Mileage	2,423 miles	Engine Capacity	3800cc
Body Style	Coupe	Fuel	Petrol
Transmission	PDK	Chassis No.	180881

The Porsche 991 GT2 RS represents the absolute pinnacle of the 991 generation range and is widely regarded as one of the greatest modern era 911s ever produced. Developed with direct influence from Porsche Motorsport, the GT2 RS combines brutal turbocharged performance with genuine Rennsport pedigree, delivering an intensity and level of driver engagement few modern supercars can rival.

Powered by a 3.8-litre twin turbocharged flat-six producing 700 horsepower, the GT2 RS is capable of reaching 0â€"60mph in just 2.7 seconds and a top speed of 211mph. With rear wheel drive, extensive lightweight construction and Porscheâ€™s lightning fast 7-speed PDK transmission, it offers a driving experience that is both visceral and immensely capable, combining savage performance with extraordinary chassis precision. Upon its release, the GT2 RS set new benchmarks for road legal performance cars and famously recorded a NÃ¼rburgring lap time of 6 minutes 47.3 seconds, making it the fastest production car around the circuit at the time and further cementing its position amongst the all time great Porsche models.

This particular example benefits from a â€˜Sonderwunschâ€™ specification, which is a variant that is commissioned through Porscheâ€™s exclusive â€˜Special Wishesâ€™ department. Porscheâ€™s Sonderwunsch programme represents the very highest level of personalisation, elevating exclusivity far beyond Paint to Sample and Porsche Exclusive. This ultra-bespoke programme allows clients to create a truly one-of-one Porsche to their exact specification, far beyond the standard factory options list or even Exclusive options, with individually commissioned finishes, materials and design details tailored exclusively to owners personal wishes.

A UK supplied example that was commissioned with the following factory options and Sonderwunsch features, which include: Weissach package, Clubsport package, interior leather package in Ascot Brown, 918-style bucket seats with carbon fibre backs and GT Silver stitching, seat belts in Silver Grey, six point racing harnesses, extended interior package with door panels in leather and Alcantara with stitching in GT Silver, roof lining in Alcantara, dashboard trim package in leather with stitching in GT Silver, steering column casing in leather with decorative stitching in Silver Grey, sports steering wheel finished in leather with carbon fibre inserts, 12 o'clock marker and GT Silver stitching, transmission tunnel finished in leather, centre console finished in leather, sun visors finished in leather with GT Silver stitching, air vent housings and slats in black leather, door loop openers in GT Silver, seat belt outlet trims in Alcantara, gear selector finished in leather, safety cage in titanium, custom floor mats with Ascot Brown stitching, illuminated carbon fibre door sill guards, Bose surround sound system, Porsche Communication Management including online navigation (PCM), Sport Chrono Package, Chrono stopwatch in white, instrument dials in white, cruise control, Light Design Package, reversing camera, automatically dimming mirrors with integrated rain sensor, front axle lift system, LED main headlamps in black including Porsche Dynamic Light System Plus (PDLS Plus), LED daytime driving lights, Porsche Torque Vectoring Plus (PTV Plus), Porsche Active Suspension Management (PASM), rear axle steering, top-tint windscreen, SportDesign mirrors with carbon upper sections, exterior window triangle trims in carbon fibre, headlamp washing system, tinted tail lights, magnesium alloy wheels, Porsche Ceramic Composite Brakes (PCCB), Porsche Vehicle Tracking System Plus (PVTS Plus) and full car PPF.

Although showing exceptionally low mileage from new, it has been impeccably maintained with all servicing carried out by official Porsche Centres:

2018 June, PDI 16 miles – Porsche Swindon

2020 October, 729 miles – Porsche Bournemouth

2022 September, 1,375 miles – Porsche Bournemouth

2024 October, 2,083 miles – Porsche Bournemouth

The car also benefits from a Porsche extended warranty until 30th October 2027.

Presented in 'as new' condition throughout and offered complete with its original handbooks including the all important guarantee/maintenance supplement, spare key in an Ascot Brown leather pouch with GT Silver stitching, car cover, battery conditioner, warning triangle, first aid kit, tyre inflator kit, tools and a dedicated history file.
