1969 LAMBORGHINI Miura S

Rosso with Bleu

£POA

Mileage	N/A miles	Engine Capacity	3929cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	4000

Probably the finest restored Miura ever offered for sale. Fresh from a total restoration by model experts Cremonini and finished in its original colour combination. A matching number example that was originally supplied new to Voitures Paris Monceau, the official Lamborghini dealer of Paris. Currently UK registered, accompanied by a very well documented history file and awaiting its Lamborghini Polo Storico certification. Unlike the later 'SV', the 'S' retained the iconic eyelashes and original body styling and in turn is considered by many collectors to be the purer variant.
