TOM HARTLEY JNR

2014 FERRARI California30

Nero Daytona with Nero

£91,950

Mileage	16,611 miles	Engine Capacity	4297cc
Body Style	Convertible	Fuel	Petrol
Transmission	Automatic	Chassis No.	200890

A high spec example of the facelift for the Ferrari California, the California 30, so-called for being 30kg lighter and 30bhp more powerful than the original car. Optional extras include; full electric seats stitched in Bianco, Rosso red horses stitched on the headrests, carbon fibre driver zone with LEDS, carbon fibre dashboards and air vents, carbon fibre central bridge, special handling package (upgraded dampers, steering rack and suspension), cruise control, yellow rev counter, Scuderia Ferrari shields on the wings, 20"" forged diamond rims, yellow brake callipers, front and rear parking sensors, tyre pressure monitor and Navtrak antitheft system. A UK supplied car that's presented in as new condition throughout with fantastic service history and comes complete with its original books, history file and spare key. Fantastic value!
