TOM HARTLEY JNR

1991 FERRARI TESTAROSSA

Rosso with Crema

£245,000

Mileage	1,805 miles	Engine Capacity	4942cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	085696

This example must be one of the very best in existence, with only 1,800 miles from new and a complete history file, which includes its very first MOT. Even with such low mileage the car has fantastic service history, with services by the original supplying dealer, Reg Vardy, from '91, '94, '95, '96, '98, '99 and '01, then in recent years by HR Owen and, finally in 2016, by Graypaul, who replaced the cambelts, camseals, and all 4 brake flexi hoses, as well as removed the front callipers for an overhaul. The car comes complete with its original leather wallet, warranty/service booklet, owners' manual, dealer supplement, tool kit and jacking kit. It must be seen to be appreciated!
