TOM HARTLEY JNR

1996 MCLAREN F1 GTR Longtail Prototype

Black with Launch Livery

SOLD

Mileage	N/A miles	Engine Capacity	5990cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	19R

1 of only 10 Longtail GTRs ever produced, extensive race history including Le Mans and raced throughout the 1997 season by current McLaren chief test driver Chris Goodwin. The first Longtail to ever win a race, ex-Parabolica and Lark entrant, beautifully restored by Lanzante to original Parabolica livery and currently undergoing road conversion by them. Complete with an extensive history file including all race and test records.
