A truly stunning spec example, the latest special edition model released by Rolls-Royce. Blending timeless style with the spontaneous energy of high-contrast colour, to make the boldest of statements. The 'Inspired By Fashion is finished in crisp Andalusian White shimmering paint with Mugello Red accents throughout including matching roof. Inside the Bespoke features of this unique motor car evoke the same attention to detail as an exquisitely tailored piece. The Design team at Rolls-Royce mastered specialist methods for Dawn Inspired By Fashion, such as the highly complex craft of seamless stitching. The intense accent colour is worked into the finest details on the headrests, seats and steering wheel. Silk-lined door pockets are adorned with a modern interpretation of the Spirit of Ecstasy monogram, set precisely at fifty-five degrees to complement the lines of the door. And the unique Inspired By Fashion clock sits like a jewelled accessory, styled exclusively to emit an iridescent pearl effect. This particular car has front ventilated and massaging seats, TV tuner, drivers assistance three package and Rolls-Royce bespoke audio in addition to the 'Inspired By Fashion' package. With only delivery mileage and a cost new

price of Ä£325,000, it represents fantastic value for money!
