1 of only 400 Heritage Editions ever Produced. To celebrate 67 years of production and the conclusion of the 'Defender', Land Rover built a limited number of Heritage Editions which have many special features including the Grassmere Green paint – a colour scheme determined by a surplus of military paint, a black square on the wing with white letters that read HUE 166 â€" the registration of the first pre-production Series Land Rover, one of the many neat touches youâ€™ll find on the Heritage edition. Other features include but not limited to the classic â€˜lightning boltâ€™ Land Rover badge, the heritage-style grille, mudflaps, body colour wheels, white roof, headlamps, an Alpine radio and a Defender Heritage ""One of 400"" book. Additional options fitted to this particular car include; sidesteps, tow bar, and Dinitrol rust proofing. A U.K. supplied vehicle and being a '110' it is the most desirable variant of the Limited Edition series, one to pack away for the future!
