This Grand Sport is one of only 58Â ever produced and the only to be finished in Bianco Lamborghini over a Cognac full leather interior. It was originally a Bugatti factory demonstrator car, touring major events in the United States,Â and is one of only 11 examples made to U.S. specification. The car has just 4,900 miles from new, has been recently serviced andÂ fitted with new tyres, and its factory warranty has been extended until the end of August 2017. ItÂ comes complete with its original handbook, spare key, speed key, soft-top and stand, car cover, car chargerÂ and a very thorough history file, including allÂ service inspection reportsÂ by Bugatti-authorised dealers. *Please note that this car is located in America and titled in that country.*
