TOM HARTLEY JNR

1991 FERRARI F40

Rosso with Red Sport Seats

SOLD

Mileage	1,366 miles	Engine Capacity	2936cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	087362

A very special example that was ordered new through Maranello Concessionaires by a very well known client and was purchased by its third and last owner in 2001. One of the finest examples we've handled, with all original factory markings still in place, along with the Kevlar weave evident on all panels. This car comes complete with a very well documented history file, original books including its service/warranty booklet, original exhaust, tool kit, tyre canister, spare key, original model literature and factory brochures. It has just been serviced and inspected by Ferrari for its Classiche certification.
