1 of only 64 UK right-hand drive 911 (930) Speedsters ever produced. Finished in the stunning and rare colour combination of Silver Metallic over Can Can Red leather interior.

Only 6,993 miles and 2 owners from new. Our Speedster benefits from documented history that's better than any other example we've ever handled or seen in the past. Always maintained throughout its life without regard to cost by either Lancaster Bow or most recently Porsche Centre Solihull.

Complete with its original leather pouch, handbooks which include the original service/warranty supplement, its 3 sets of keys (including original dealer keyrings), tool roll, tyre inflator kit and original Porsche cleaning kit; as given to all the first owners. The carâ€™s fantastic history file includes: the original order form, letters from the supplying dealer before the car even went into production, the original delivery note, old V5 registration documents, 25 MOTs, 26 old style tax discs plus an array of
