A very special example, only 12,394 miles from new and 1 of only 15 UK right-hand-drive 'Chairs & Flares' ever produced.

Regarded as the ultimate and most desirable of the Dino series, the 'Chairs & Flares' option consisted of flared arches, Daytona style seats and Campagnolo alloy wheels. Other options ordered new on this car were electric windows, radio and dealer fitted headlamp covers.

Chassis #07168 is a multiple concours-winning car. It comes complete with 2 well-documented history files, original handbooks, wallet, warranty card, dealer-service booklet, operating and service rules leaflet, Radiomobile Stereo 8 leaflet, tool kit, jack, wheel chock, spare keys with a rare and original Dino key fob, workshop manual, spare parts catalogue and factory Dino literature.

In addition, the car benefits from the Red Book Ferrari Classiche certification, which confirms the car still retains its original
