TOM HARTLEY JNR

1996 FERRARI F50

Rosso Corsa with Black & Red Interior

£SOLD

Mileage	4,312 miles	Engine Capacity	4700cc
Body Style	Targa	Fuel	Petrol
Transmission	Manual	Chassis No.	105038

Offered direct from the four-time Formula One World Champion Sebastian Vettel.

Originally delivered new to Denmark and later purchased by Sebastian in 2015, his first year at Ferrari as their number one pilot.

An F50 is a car we know particularly well, finding one with such low mileage is very rare, but also finding one in such original condition is even rarer.

It comes complete with its flight case, hard top, roll hoops, tonneau cover, Ferrari 'Red Book' Classiche certification binder which confirms the car still retains its original chassis, body, engine and gearbox. In addition, the car also retains its original handbooks including the very important service/warranty supplement, luggage bag, spare key, Ferrari car cover, battery conditioner and documented history file.
