

1933 ASTON MARTIN Le Mans
Blue Bird Blue with Blue Leather
£SOLD

Mileage	N/A miles	Engine Capacity	1,495cc
Body Style	Convertible	Fuel	Petrol
Transmission	Manual	Chassis No.	H3/305/S

Supplied new to legendary land and water speed record setter Sir Malcolm Campbell and finished in his famous Blue Bird Blue.

Raced at Brooklands in period and engine uprated by the factory to Ulster specification.

An incredibly original example with factory stampings still present throughout and can amazingly boast its matching number status.

With its originality and provenance, it must be the finest Aston Martin Le Mans in existence.

Comes complete with its original registration number 'ALW 1', original owner's handbook, three incredibly well-documented history files and a dedicated history report compiled by noted Aston Martin historian Stephen Archer.

TOM HARTLEY JNR

One of the few Aston Martin models eligible for the Mille Miglia!
