

1969 FERRARI 365 GTC
Black with Beige Leather
£SOLD

Mileage	87,240 miles	Engine Capacity	4390cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	12165

A 365 GTC is regarded as being one of the best all-round Ferraris ever built. It's nimble, quick and exclusive, representing the epitome of sophistication.

Only 150 were ever produced and only 22 of those were UK right-hand drive examples like this particular car.

Ex-Rob Walker and was delivered new in the very attractive Amaranto, but changed to black in its recent restoration.

Single ownership for 25 years, following such it was completely restored by marque specialists and subsequently a winner at the Ferrari Owners'™ Club Concours.

Ferrari 'Red Book'™ Classiche certified which confirms it still retains its original chassis, body, engine and gearbox.

TOM HARTLEY JNR

Offered complete with its original books, which includes its original warranty supplement, original pouch and a very impressive history file.

A stunning example of what is one of the finest driving 1960s GT Ferraris.
