Transmission	Semi-automatic	Chassis No.	041282

The AMG GT Black Series is a limited production car first announced by Mercedes-Benz in July 2020, limited to approximately 1,700 examples it was developed entirely in-house by Mercedes AMG and marked the return of an iconic name to the world of super sports cars.

The car exuberates adrenaline with its handcrafted AMG 4.0 litre V8 biturbo â€˜flatâ€™ crankshaft engine, it's the most powerful to date of any V8 AMG, it produces 730 hp, an impressive 197 hp more than the standard AMG GT. It allows a top speed of 202mph, standstill to 60mph in 3.1 seconds and a 0-124mph of under 9 seconds.

With regards to the car's aesthetics, AMG Black Series are renowned for being a very special type of car; rare, exclusive and unyieldingly sporty. The AMG Affalterbach designers certainly pulled out all the stops when it came to the art of its design. The most striking element being the distinctive carbon fibre bonnet and the rear wing that was inspired by customer sports

racing along with a paint finish reserved exclusively for the model. The interior offers both driver and passenger a wealth of AMG sophistication that is also extremely attractive to look at from the cockpit and remains very functional.

This particular example is a single owner, UK supplied right-hand drive car with only delivery mileage. It was specified in the stunning colour of exclusive AMG Magma Beam and a black Dinamica leather with orange stitching throughout. Its specification includes; AMG exterior carbon fibre package, carbon fibre roof, fixed double rear wing in carbon fibre, AMG carbon fibre door sill panels, titanium roll bar, matt carbon interior package, AMG interior night package, AMG Performance seats with heated and memory function, 4-point seat belts, AMG performance steering wheel in Dinamica, AMG steering wheel buttons, AMG speedshift DCT 7-speed sports transmission, AMG track package, AMG track pace, roof liner in black Dinamica microfibre, heat-insulating dark-tinted glass, Burmester surround package, digital radio, Apple CarPlay, touchpad without controller, command online, traffic sign assist, mirror package which includes automatic dimming interior and drivers exterior mirror, electric folding exterior mirrors, ambient lighting, thermotropic automatic climate control, interior monitoring system, parking package which includes; front and rear cameras plus adaptive main beam assist. AMG 10-spoke forged wheels, AMG ride control suspension, AMG high-performance ceramic composite braking system, adaptive brake lights, AMG electronic rear-axle limited slip differential, KEYLESS-GO package, automatic child seat recognition sensor and anti-theft protection package which includes: increased anti-theft protection plus anti-theft alarm system with parking damage alert and security tracker.

Presented in ‘as new’ condition throughout and is offered with the remainder of its Mercedes Benz manufactures warranty until March 2025. It also comes complete with its original books, spare key and a dedicated history file.
