TOM HARTLEY JNR

2018 FORD GT

Liquid Grey with Dark Energy

£SOLD

Mileage	306 miles	Engine Capacity	3496cc
Body Style	Coupe	Fuel	Petrol
Transmission	Semi-automatic	Chassis No.	100178

One of only 15 examples to have been delivered to the UK market, which also benefits from a very high specification, with optional extras that include; non-standard paint finish, dark energy interior trim, Shadow black exterior finish, 6-point harness anchors, 20â€ Graphite forged alloy wheels, Titanium lug nuts, Brembo brake callipers finished in Black and a security tracker.

Presented in 'as new' condition throughout and complete with its: original service/warranty supplement, spare key, tracker fob, tool kit, car cover, OEM trickle charger, locking wheel nuts and in addition the car has a wonderful history file which contains its original sales invoice, Ford GT manual still in its original wrapping, GT concierge service membership card, Ford GT presentation book in case, Ford GT specification folder including its production pictures plus its original Monroney label.
