Jet Black Metallic with Black Leather

£SOLD

Mileage	5,899 miles	Engine Capacity	3996cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	167178

After the limited production run of the hugely successful 911 R, a large number of Porsche customers worldwide expressed interest in another manual, wingless 911-style GT3 motorcar. Many Porsche purists were very unhappy about not getting a 911 R allocation, so the factory took note and introduced the 991.2 GT3 Touring.

The 991.2 received a significant power increase from the 991.1 GT3, due to the fitment of a 4-litre engine that produces some 500 bhp and 339 lb-ft of torque that propels the car to 0-60 time in 3.9 seconds with a top speed of 198 mph. The lack of the fixed rear wing makes this GT3 Touring "a wolf in sheep's clothing" plus with the fitment of the 6-Speed GT Sports manual transmission ensures maximum driver enjoyment throughout.

This extremely rare example which we believe is just 1 of only 47 cars supplied new to the UK was commissioned with the following factory fitted options: Touring package, ceramic composite brakes (PCCB), 6-speed GT sports manual transmission,

Sports bucket seats, Porsche crest embossed on headrests, racing yellow seat belts, carbon interior package including door trim stripes illuminated, carbon door sill guards, carbon centre console, BOSE surround sound system, digital radio, Porsche communication management including online navigation (PCM), voice control, Â Sports chrono package, dials in black, LED main headlights in black including Porsche Dynamic Light System Plus (PDLS Plus), Porsche Active Suspension Management (PASM), cruise control, light design package, front axle lift, reversing camera, automatic dimming mirrors with integrated rain sensor, passenger footwell storage net, smokers package, windscreen top tint, headlight cleaning system covers, tinted taillights, fuel filler cap with Aluminium look finish, 20â€ GT3 wheels painted in satin platinum finish and Â Porsche Vehicle Tracking System Plus (PVTS Plus)

Presented in excellent condition throughout and offered complete with its original books, including the service/warranty booklet, leather pouch, warning triangle, spare key and dedicated history file.
