The Urus Graphite Capsule edition debuts four striking new matte paint finishes, showcased here in the distinctive Grigio Keres. This example is further enhanced with high-gloss exterior accents, a sleek rear diffuser, and bold 23″ Taigete alloy wheels. Vibrant Arancio Borealis highlights add a dynamic contrast to the design. Inside, the cabin features four exclusive two-tone colour combinations, with this model finished in Arancio Leonis, complemented by matte carbon fibre inserts and nero anodized aluminium detailing for a sophisticated, sporty feel.

Notably, this Lamborghini marks a first by integrating cutting-edge connectivity technology, offering real-time navigation with 3D city views and Google Points of Interest search. The advanced entertainment system includes hybrid and online radio, song recognition, smartphone interface, and a built-in Wi-Fi hotspot, ensuring seamless connectivity on the go.

Our low mileage example also benefits from a host of factory options and features that include: full electric front seats with

ventilation, massage and heating functions with signature hexagonal Q-citura stitching, contrast colour trim and stitching in Arancio Leonis, embroidered Lamborghini shields to headrests, Alcantara headlining, multi-function steering wheel with perforated leather inserts and optional stitching, floor mats with leather piping and double stitching, panoramic roof, matt carbon to air vents and instrument cluster, Bang & Olufsen advanced 3D sound system, DAB radio, smart phone interface with Apple CarPlay, head-up display, park assistance with remote park assist, Lamborghini lettering to dashboard, ambient lighting package, electronic air suspension, ANIMA with four off-road modes, soft-door close, tempered side and rear glass, mirror housing in shiny carbon fibre, rear spoiler in shiny carbon fibre, 23â€ Taigete black gloss rims, Arancio painted brake callipers, black chrome exhaust tail pipes, Lamborghini rear logo chromed, front PPF and Lamborghini connect security tracking system.

This car also benefits from the manufacturers 4-year warranty and maintenance package that expires in July 2026. It is presented in â€˜as newâ€™ condition throughout and comes complete with its original handbooks including the all-important service and warranty supplement, spare key car cover, tool kit, tyre inflator kit and history file.
