The Ferrari GTC4 Lusso V12 is a unique blend of supercar performance and everyday practicality. Styled as a modern shooting brake, it offers seating for four adults, making it one of the most versatile models in Ferrariâ€™s current lineup.

Powered by a 6.3 litre naturally aspirated V12 producing 681 bhp, the GTC4 Lusso delivers breathtaking performance in all conditions, thanks to Ferrariâ€™s advanced 4RM-S all-wheel-drive system and four-wheel steering, which enhances both traction, stability and agility.

This example was supplied new to the UK and benefits from a host of factory options and features that include: carbon fibre trim driver zone and LED shift indicators on steering wheel, carbon fibre centre console, carbon fibre exterior sill plate, carbon fibre dashboard accents, prancing horse to headrests stitched in Nero, aluminium tachometer dial face, stitching throughout in Nero, high emotion low emission system (HELE), carbon fibre wheel centre caps, black ceramic coated tailpipes, Scuderia

Ferrari side shields, rear wiper, Ä 20″ forged wheels, NavTrak security system and a narrow Italian flag on rear lid.

This car also has the added benefit of a complete and documented official Ferrari service history from new as listed below:
