Ferrariâ€™s legendary front-engined V12 tradition continues with the all-new 12Cilindri Spider, also known as theÂ Dodici CilindriÂ (â€œtwelve cylindersâ€). Inspired by the great Ferrari Grand Tourers of the 1950s and â€™60s, it combines timeless elegance with a bold modern design, featuring subtle nods to the Daytona and other icons of the marque.

The Spiderâ€™s retractable folding hardtop opens or closes in just 14 seconds, even at speeds of up to 28 mph, allowing seamless transition between coupe and open-air motoring. Inside, the cabin features a symmetrical dual-module layout for driver and passenger, delivering exceptional comfort and engagement, crafted with Ferrariâ€™s renowned attention to detail.

Powered by Maranelloâ€™s naturally aspirated 6.5-litre V12, the 12Cilindri Spider produces 830 hp, accelerates from 0-62 mph in just 2.9 seconds and reaches a top speed of 211 mph. With the roof down, it offers an unforgettable symphony of

sound and sensation.

This delivery-mileage, UK-supplied example was commissioned to an outstanding specification, including:Â Extracampionario Nero StellatoÂ (2-layer special paint), carbon fibre steering wheel with LED shift lights, carbon fibre exterior sill kicks, upper tunnel trim, instrument cluster and door panels, high-end audio system and passenger display, smartphone connection and wireless charger, leather racing seats in Bordeaux with massage, ventilation and neck-warmer functions, heated Bordeaux steering wheel with matching seat belts, embroidered Prancing Horse headrests inÂ Chiaro Grigio,Â dual-colour leather interior with Bordeaux lower dashboard andÂ Filo Speciale Grigio ChiaroÂ stitching. Bordeaux mats with logo and aluminium footrests, suspension lifter, surround view, adaptive cruise control and radar safety systems, active Matrix LED headlights,Â Nero DSÂ external painted pack and glossy painted Orbit rims in Nero DS, airbrushed Scuderia shields, long Italian flag and full badges in matt black, yellow brake calipers and black ceramic exhaust pipes andÂ My FerrariÂ Connect; emergency call and tracker security system. In total, the cost new price was Â£494,160.01.

Presented in as-new condition throughout, complete with its original books (including service/warranty supplement), car cover, battery conditioner, tracker fobs and a dedicated history file.

Registered on the 23rd July 2025, this example benefits from the balance of Ferrariâ€™s four-year manufacturerâ€™s warranty until July 2029, and the seven-year service plan until 2032 (Please note that service plan is provided in accordance with Ferrariâ€™s official maintenance schedule. Any services performed outside of the recommended intervals may affect the number of remaining services available under the plan).

This is among the very first 12Cilindri Spiders to reach theÂ market and presents an exceptional opportunity for collectors and enthusiasts.
