Podium Green with Obsidian Black

£SOLD

Mileage	543 miles	Engine Capacity	3982cc
Body Style	Coupe	Fuel	Petrol
Transmission	Semi-automatic	Chassis No.	N11041

The 2025 Aston Martin Vantage is a pure, driver-focused sports car that blends muscular performance with unmistakable Aston Martin design. Powered by a 4.0-litre twin-turbocharged V8 producing 665 bhp, the latest Vantage accelerates from 0â€“60 mph in just 3.4 seconds, delivering thrilling pace and immediacy.

Engineered around a comprehensively reworked chassis, it offers sharp handling, outstanding balance and genuine driver engagement. With its aggressive stance, refined aerodynamics and beautifully resolved interior, the Vantage combines everyday usability with true sports-car theatre, standing as one of the most compelling modern performance coupÃ©s available.

This car is a UK supplied example that was specified with the following options and features that include: non standard Racing line paint finish in Podium Green as featured on the official FIA F1Â® safety and medical car, Sport plus seats with 8 way

adjustment, heated seats, contrast stitching, black micromesh headlining, sports steering wheel, switchback in satin chrome, DAB and satellite radio, inductive phone charger, keyless entry, ambient lighting, front parking distance sensors, parking cameras, perimeter camera system, blind spot assistance, auto dimming rear view mirror, door mirrors with powerfold and memory, rear privacy glass, gloss black rear diffuser, gloss black splitter, gloss black lower body exterior pack, darker smoked tail lights, satin silver underbody jewellery pack, 21″ five spoke forged alloy wheels in satin black, black brake callipers, front grille vaned silver, tailpipes chrome finish and vehicle tracking system.

Offered with a substantial saving of just under Â£50,000 against its cost new price. Presented in 'as new' condition throughout and complete with its original Vantage handbook, presentation box with leather key pouch, spare key, tools, car cover, OEM trickle charger, warning triangle, Aston Martin valve stem caps and a dedicated history file.
