Body Style	SUV	Fuel	Petrol
Transmission	PDK	Chassis No.	B51637

The Porsche Macan GTS combines the everyday usability of a premium SUV with the unmistakable performance, character and driver engagement. Refined for 2025, the latest-generation Macan GTS benefits from revised suspension tuning, sharper steering response and a more purposeful design, resulting in a driving experience that remains one of the most engaging in its class.

Powered by a twin-turbocharged V6 producing 440 hp, the Macan GTS delivers effortless performance through Porsche's acclaimed PDK transmission and all-wheel-drive system, accelerating from 0 to 62 mph in just 4.3 seconds and on to a top speed of 169 mph. Revised suspension tuning, a lowered ride height and Porsche Torque Vectoring Plus (PTV Plus) ensures exceptional composure and agility, whilst the distinctive GTS styling package, sports exhaust and Alcantara-trimmed interior create an experience that is both sporting and refined.

Blending performance, luxury and everyday versatility in typical Porsche fashion, the Macan GTS remains a benchmark in the high-performance SUV segment.

This UK-supplied, single owner example was ordered with a host of factory options and features that include: panoramic sunroof, GTS Sports Package, GTS Interior Package, 18-way electrically adjustable adaptive sports seats with comfort memory package, GTS logos on the front seat headrests, heated front and rear seats, roof lining in Race-Tex, heated multifunction GT sports steering wheel finished in Race-Tex with carbon inlay, carbon interior package, Sport Chrono Package including mode switch, comfort lighting package, Bose surround sound system, Apple CarPlay with Siri and voice recognition, smartphone compartment with wireless charging, self-steering ParkAssist, Surround View camera system, speed limit indicator, automatically dimming interior and exterior mirrors, Porsche Active Suspension Management (PASM), preparation for loading sill guards in carbon finish, illuminated door sill guards in carbon finish, side blades with GTS logos in satin black, Porsche preparation for dashcam, personalised painted vehicle key with case, 21-inch GT Design wheels in satin black, wheel centre caps with full-colour Porsche crest, red brake callipers, sports exhaust with black tailpipes, fuel filler cap in aluminium look, door handles painted in high-gloss black, Porsche model designation finished in matt black, front and rear aprons finished in satin black, tinted LED taillights, preparation for tow bar system, SportDesign side skirts in satin black, Porsche vehicle tracking system plus (PVTs Plus) and full-car PPF, including the windscreen.
